WANTED: Teens with Tourette Syndrome for new clinical research trial at Overlook Medical Center

SUMMIT, N.J. – Dr. Roger Kurlan of the Atlantic Neuroscience Institute at Overlook Medical Center in Summit, N.J., is currently recruiting for a clinical research trial for a potential new medication for Tourette Syndrome – an inherited, misdiagnosed, misunderstood neurological disorder that affects 1 in 100 children and adults.

Participants must be between the ages of 12 and 17, and must pass a screening evaluation to be sure they are eligible. For more information, please contact Diane Babek, RN, at 908-598-7991 or **diane.babek@atlantichealth.org**.

For more information about TS or the programs and services of the New Jersey Center for Tourette Syndrome & Associated Disorders, please call 908-575-7350 or visit **www.njcts.org**.
