

NJ Center for Tourette Syndrome
AND ASSOCIATED DISORDERS, INC.

VIRTUAL SUPPORT GROUPS

CONVENIENT, CALL-IN, CONFIDENTIAL SUPPORT FOR PARENTS OF KIDS WITH TOURETTE SYNDROME

NJ Center for Tourette Syndrome and Associated Disorders (NJCTS) offers Virtual Support Groups for the convenience of families. Families are invited to dial in to a conference call line to ask questions and hear from others affected by Tourette Syndrome and associated disorders.

Virtual support groups meet once each month at 7:30 pm for one hour. Parents and care-givers from across the country are encouraged to participate and new members are always welcome. In this informal and judgement-free environment, you won't have to worry about finding a quiet, distraction-free place to call-in.

Topics covered include:

- Talking to friends and family about TS
- School accommodations
- Family dynamics
- Treatment for TS

Sign up for either group:

- Parents of TS kids ages 4-11
- Parents of TS kids ages 12 and older

To participate in the group, contact:

Leanne Loewenthal, Family Outreach and Volunteer Coordinator
at 908-575-7350 or lloewenthal@njcts.org

*"It is great that it is a phone conversation. No matter how hard I try I can never get out with my kids bedtime and dinnertime at this particular hour."
—Parent, NJ*

*"It felt good to speak with others who have similar experiences."
—Parent, NC*

*"It was both informative and emotionally beneficial."
—Parent, NJ*

The NJ Center for Tourette Syndrome & Associated Disorders, Inc. (NJCTS) is the nation's first Center of Excellence for Tourette Syndrome (TS). Through partnerships and collaborations, NJCTS provides a continuum of services, support and education for families; outreach and training for medical and educational professionals; and advocacy for collaborative research for better treatments and a cure for TS.
