

NJ Walks for TS at Mendham Let's Keep it Moving through December 15th

This 'day to remember' isn't over yet

NJCTS would like to extend a special thank you to everyone who made the 5th annual NJ Walks for TS at Mendham a day to remember.

Over 150 walkers, runners and volunteers braved the cold (and even some snow) to stand up for children and families living with TS. For many, the Walk serves as a chance to see the faces of Tourette Syndrome, surrounded by the people they love, walking together in the spirit of acceptance and self-empowerment.

It's a moving experience that one of our adult volunteers, Joel Potter, said best: "Today was a joy for me...something my generation could never have expected to see."

It's not too late to be part of this important movement. [Our donation page for NJ Walks for TS at Mendham will remain open until December 15th.](#) All funds raised through this event will support the NJCTS Education Outreach Program. By donating, you're allowing NJCTS to deliver professional trainings to educators and healthcare professionals across New Jersey.

The Education Outreach Program also trains youth advocates from around the state to present information on TS to doctors, teachers and peers in their schools and communities.

Check out our [photo gallery on Facebook](#) to see great pictures from the day. Be sure to tag yourself and

show the world how much you care for your family and friends with TS.

Thank you for your commitment to NJCTS and the good work we accomplish through this event. We are grateful for your support, our team of over 60 volunteers, and the support of this year's sponsors:

- Asurion
- Highpoint Solutions
- Oppenheimer Funds
