“Tourette Syndrome Youth Advocates: A Patient-Centered Educational Model in Action”

Tuesday, October 8, 2013, 1 p.m.
Donald J. Cohen Auditorium, Room E02

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will:

1. Become familiar with the Patient Centered Medical Education (PCME) model
2. Become familiar with a specific youth-based, Tourette Syndrome-focused advocacy program
3. Appreciate the benefits of such programs for patients, their families and the professional community

NEEDS ASSESSMENT

Community models are needed to encourage families and youngsters with potentially stigmatizing/impairing conditions to develop self-advocacy skills and to educate peers, schools, and care providers.

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

CME CREDIT

The Yale School of Medicine designates this educational activity for *1 AMA PRA Category 1 Credit(s)*. Physicians should only claim credit commensurate with the extent of their participation in the activity

This grand rounds activity is not the recipient of any commercial grants
This course will fulfill licensure requirement set forth by the State of Connecticut
