NJCTS
20th Anniversary Celebration
Thursday, October 17, 2024

Committee Job Description

Please join us to plan the celebration of NJCTS' 20th Anniversary on Thursday, October 17, 2024 at the Bridgewater Marriott.

The evening will feature a cocktail reception, seated dinner, dessert, silent and live auction, and presentation. Proceeds will be used to help enhance our programs and services for the New Jersey Tourette Syndrome community. NJCTS relies on the funds raised through special events to help meet our operating expenses.

Here is a list of responsibilities of committee members.

- Commit to the financial success of the Anniversary Dinner
- Attend planning meetings: January, March, May, July, September, and October
- Commit to attending the dinner on October 17th
- Serve as a "table host" and find 8 individuals to join you
- Solicit ads for the journal either using NJCTS's list or your own contacts
- Solicit items and gift certificates for the live and silent auctions

If you are interested in learning more or committing to help, please contact Hilary Kruchowoy, Director of Development at (908) 575-7350, or hkruchowoy@njcts.org.

Thank you for your consideration!
